Index

About us	06 - 07
Pvc - Lacquer series	08 - 103
Malemine series	104 - 117
Leaf series	118 - 141
Single color doors	142 - 144
Limboz & 1.5 Doors	144 - 145

About US,

1980's , Kapia was founded by entrepreneur Mr Ali Göktaş, who has long term experience on marketing and production. Many successful projects were finished since 1983. Group, aim to reach maximum level of customer satisfaction by detail understanding of the demand of customers and serving them with production powered last technology and long-term experience. Now, with thousands satisfied customers lead us to make more and better.

As our main major, Panel door, wooden panel door, lake door, wooden coated doors, laminate coated doors and accessories. Capability of wooden production, not only for direct sale, also we serve our customers as subcontractor in key turn projects. As we come together with our contracting customers as solution partner with our experienced team.

Vision

As an Turkish supplier, we aware of our capability of production and aim to have our brand to growth globally. Meet our valued products to many of the clients around the world. In order to success, we take Research and Development process as priority to compete internationally.

Mision

KAPIA group takes consideration on quality is must and we aim to reach touch people lives with happiness of design. Our mission is to help people visualize, create & maintain beautiful homes. We bring to you inspiring visuals of cool homes, specific spaces, architectural marvels and new design trends.

Value

- KAPIA group stand its posion on value;
- First, to respect acknowledge and experience ...
- Open to new ideas and fully support R&D...
- Accomlishing duty on best level and on time...
- Transparency of marketing and produciton...
- Success not only build up on individual, we look for team effort...
- Any type of production to be respect environment for future...
- Beside team success, also enable to have most secure place on production for our team safe. ...
- Sharing growth among our team and to seek for justice for every moment and decision...
